Koninkrijk der Nederlanden

Washington DC, February 6, 2007

To whom it may concern,

It has been brought to our attention that questions have been raised with regard to Dutch farmers starting dairy farms in the United States of America

On behalf of the Government of the Netherlands I am authorized to declare, "The national government of the Netherlands does not provide any subsidies for emigrating Dutch farmers".

If you might have any questions related to this statement, please feel free to contact me.
